cfoic HEARTLAND in 2020

CHRISTIAN FRIENDS OF ISRAELI COMMUNITIES

In 2020, you and so many other friends from around the world gave approximately \$1.5 million to bless Israel. Unfortunately, this was a year that forced us to remain apart – we could not visit with you and you could not visit with us. And it was a year when so many people were forced to cut down on their annual giving. But you, our trusted donors and friends, supported thousands of people in Judea and Samaria and helped tens of thousands of people across the globe become more educated about this vital Biblical area. **In 2020, you protected, you built, you gave, and you planted – but above all, you connected with Biblical Israel.**

Thanks to your generous support, in 2020 CFOIC Heartland allocated close to \$ 1.5 million to help the people of Judea and Samaria.

Fire Equipment is a critical need as Arab arson has become a new terrorist weapon.

Educational Outreach

\$379,800

\$379,800 for the production of educational materials, both in print and film, as well as personal outreach to individuals and groups from all over the world. Because of the pandemic, which prevented travel to and from Israel, we invested heavily in film content which was distributed by email, YouTube and through social media. CFOIC Heartland representatives reached out to you and to audiences around the world through Zoom and various remote media outlets. We hope we will be able to meet again in person in 2021. ●
