

Bat Ayin

THE GIFT OF STUDY

At the Bat Ayin Yeshiva (Hebrew for Bible Academy), Jews from all walks of life are welcome. Classes cover a wide range of subjects and include textual and philosophical discussions. The students are diverse — native-born Israelis, new immigrants, and students from around the world — united by a love of the Bible and a yearning to return to their Jewish roots. Striving to promote spiritual creative Jewish leadership that will promote Jewish education, outreach programs, and communities, the Yeshiva also offers a five-year rabbinical ordination program.

The atmosphere at the Yeshiva reflects the heart and character of the Bat Ayin community: deeply spiritual pioneers whose life mission is to connect more fully to God, Judaism, and the Bible. Their lifestyle uniquely blends ancient Jewish traditions with a modern Zionist society which serves as fertile ground for spiritual growth. The unique environment at Bat Ayin enables lost or unaffiliated youth to explore what it means to be a Jew.

Jews have historically been called The People of the Book, a name that holds a sacred truth: all wisdom begins with the Bible. The curriculum at the Yeshiva is very demanding, with daytime classes and numerous hours spent in small study groups, at the study hall, in the afternoon, and into the late hours of the night. For years, the Yeshiva buildings were temporary structures — pre-fab buildings and converted mobile homes. But recently, the Yeshiva began construction of a permanent study hall. Unfortunately, COVID lockdowns significantly delayed the completion of the project, but construction is now back in full swing.

In anticipation of completing the Yeshiva building, the Bat Ayin Yeshiva started planning and ordering furnishings for the study hall. Bat Ayin Yeshiva is asking you for help with furnishing the study hall with bookshelves for the many holy books that are part of any Yeshiva. You, our supporters, have donated generously in past years. Now, to complete the project, the Yeshiva needs your help to purchase the remaining bookshelves, tables, and chairs for the new study hall.

The Bat Ayin Yeshiva is a spiritual center in Judea, training rabbis and leaders to spread God's word to Jews worldwide. They are building a new study hall, the center of Biblical and spiritual growth at the Yeshiva, but they need your help to purchase furnishings and bookshelves. With your help, this incredible Bible center will continue connecting young Jews to their faith in the heart of Biblical Judea.
