CHRISTIAN FRIENDS OF ISRAELI COMMUNITIES

In 2021, you and other friends from around the world gave over \$2.3 million to bless Israel. Although this was another year that kept us apart - few of you were able to visit with us and we were limited in visiting many of you - our CFOIC Heartland representatives did travel and speak to some of you in the US. But despite the physical distance, you, our trusted donors and friends, continued supporting thousands of people in Judea and Samaria and helped tens of thousands of people across the globe become more educated about this vital Biblical area. **In 2021, you protected, you built, you gave, and you planted – but above all you connected with Biblical Israel.**

**Thanks to your generous support, in 2021 CFOIC Heartland allocated more than \$2.3 million to help the people of Judea and Samaria.**
