

“Observe the month of spring and keep the Passover to the Lord your God”

(Deuteronomy 16:1)

Bring Hope to Biblical Heartland Families *This Passover!*

Spring, a time of promise and renewal, signals the transition from a cold winter to a vibrant burst of life, filling us with renewed energy to face personal struggles and infusing hope into our spirits.

Passover, referred to in the Bible as “Springtime Feast,” is a joyous celebration of the Exodus from Egypt - the first miraculous redemption of the Jewish people and the beginning of Jewish nationhood. Families and communities across Israel rejoice in the spiritual freedom this festival symbolizes.

But for some families, the approaching Passover festival is a time of stress.

These families, already struggling to support their families, face heightened challenges. Preparing for large family meals, purchasing matza and special foods, and ensuring homes are free of leavened products become overwhelming, placing them

under extreme financial distress. And for families with special-needs children, the burdens are even greater. Schools closing a week before the holiday adds to the challenge of caring for their children at home, especially for those juggling work commitments. The strain on families with special-needs children, already facing financial hardship, becomes nearly unbearable.

Added turmoil in Wartime.

Now, add to this mix the current turmoil of living through war in Israel. Months on the frontline have pushed many more families below the poverty line, amplifying emotional turmoil, anxiety, and grief.

YOU can make a real difference!

Be a Beacon of Hope to a *Family in Samaria*

YOU can lighten their burden - you can provide food for a needy family in Samaria and enable them to celebrate the Passover holiday with joy! Help special-needs children participate in pre-holiday camp and give their families a much-needed respite. This Passover, partner with the weakest members of Israeli society and give them a strong, helping hand.
