

A YEAR OF TRIALS AND TRIBULATIONS

Christian
Friends
Of
Israeli
Communities

2024 was a year in which the willpower and resilience of the People of Israel and their dear friends around the world was tested. Facing an existential war on several fronts, the People of Israel spent the entire year living in wartime conditions. Hundreds of thousands of men were called up to fight, leaving their wives and children behind for an indefinite period. Tensions in the region escalated along with the number and scale of attacks perpetrated against the state of Israel.

For the last year and a half, the People of Israel tried every way they could to move forward and preserve some

semblance of a daily routine. Doing so has been no simple task, especially for the pioneers in the Biblical Heartland. Every community in Judea and Samaria became a potential target for a bloody massacre from neighboring Arab villages, many of which are located just beyond perimeter fences. Moreover, local emergency response teams were almost entirely depleted of manpower because so many men were serving in the IDF's reserves.

Facing a crisis and challenge like never before, the residents of Judea and Samaria were desperate for help and support. As any committed, sincere friends would do, you answered the call immediately and without hesitation!

THE FRUITS OF YOUR HEARTFELT GENEROSITY:

Protecting Pioneers: Thanks to your support, depleted emergency response teams managed to continue operating with new patrol vehicles, surveillance cameras, radios, defibrillators and firefighting equipment. You also gave communities the necessary resources to build new bomb shelters and security gates.

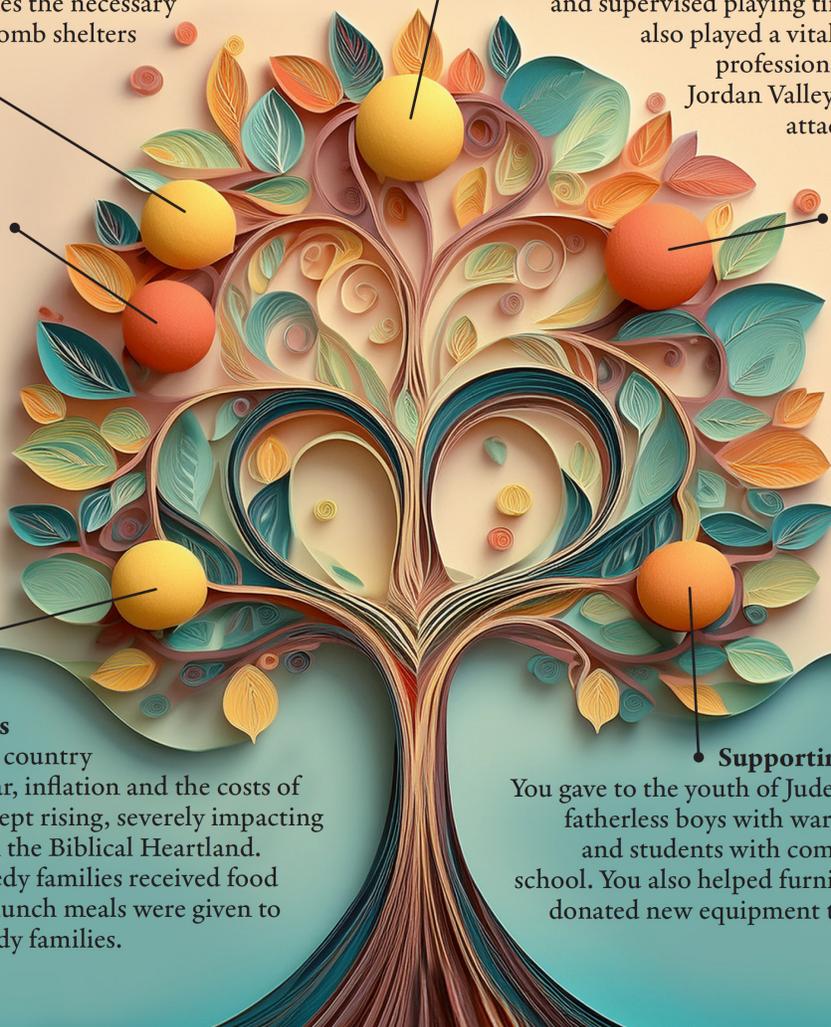

Planting New Roots in the Biblical Heartland: You contributed to the planting of 250 new trees in Judea and Samaria, helping to further replenish the natural landscape of the Biblical Heartland!

Helping Needy Families and Children: With the country fighting an existential war, inflation and the costs of necessities and utilities kept rising, severely impacting the struggling families in the Biblical Heartland. Thanks to you, 1,000 needy families received food vouchers, and 9,000 hot lunch meals were given to schoolchildren from needy families.

Strengthening Communities: You helped communities throughout Judea and Samaria persevere during wartime! With your support, the families of reservists in the Biblical Heartland were well cared for with special meal deliveries and supervised playing time for their children. You also played a vital role in partnering with a professional trauma-care unit in the Jordan Valley to serve victims of terror attacks residing in the region.

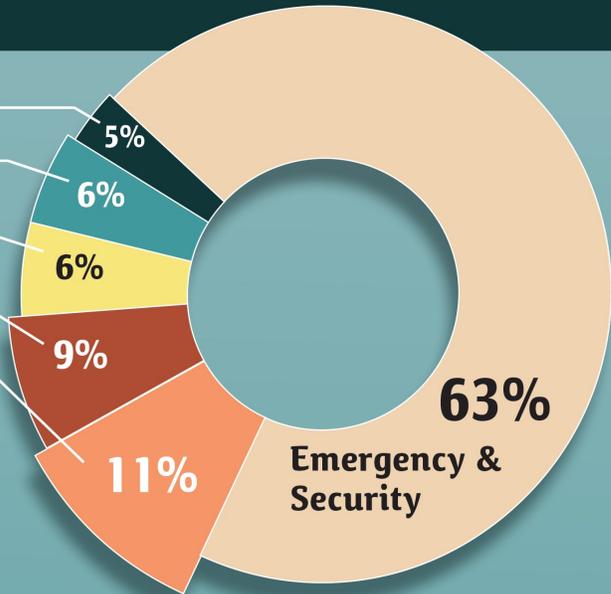

Giving Back to Original Pioneers: You rewarded the elderly pioneers of Judea and Samaria for a lifetime of self-sacrifice, providing many with critical financial assistance and 80 homes of these original pioneers with heating for the cold winter.

Supporting the Next Generation: You gave to the youth of Judea and Samaria, providing fatherless boys with warm clothing for the winter and students with computers for their studies at school. You also helped furnish two youth centers and donated new equipment to two daycares that serve special-needs children.

IN 2024, CFOIC HEARTLAND RAISED APPROXIMATELY **NIS 5 MILLION** TO SUPPORT THE PIONEERS OF **THE BIBLICAL HEARTLAND!**

- Wives and children of reservists
- Seniors
- Youth
- Community Development
- Needy Families

“He upheld the cause of the poor and needy, then it was well. Isn’t this what it means to know Me? says the Lord.”
(Jeremiah 22:16)

Thanks to you, our CFOIC Heartland donors, thousands of families throughout the Biblical Heartland were cared for and strengthened in their darkest hour. Your support showed them that they were never alone. They will always know and

be comforted that they have dear and precious friends like you around the world standing with them in solidarity and in deeds.

**THANK YOU AGAIN FROM THE BOTTOM OF OUR HEARTS!
MAY GOD SHOWER HIS BLESSINGS UPON YOU!**
